October 2015

Shropshire Community Health NHS Trust's Staff Newsletter

That's it, we now have all the nominations for this year's Staff Awards!

Celebrating
SUCCESS
Staff Awards 2015

We asked you to let us know about those individuals and teams that you felt really demonstrated our Values and were deserving of recognition for their hard work and dedication, and you did just that. You have given us a list packed with great examples of what we do well, and the people who do it. We know that everyone at the Trust contributes to providing quality services, but those nominated for this year's Staff Awards really do provide a snapshot of the hard work and dedication of our staff.

Inside this special edition of Inform you can find out more about the teams and individuals that have been nominated.

All of those people who have been nominated for an award, and those who nominated them, will now have received an invitation to attend the Staff Awards Ceremony, which is taking place at the Shropshire Education and Conference Centre on 22 October. Due to the high level of interest we received for the Staff Awards Ceremony itself, this is an invitation only event, so if you have received yours then please respond to confirm whether or not you will be attending as soon as possible.

You can find out more by visiting the Staff Zone of the Trust website. From there you just need to click the Celebrating Success Staff Awards 2015 icon. That will take you to the Staff Awards 2015 web page.

If you have any queries then please email staff.awards@shropcom.nhs.uk

Celebrating SUCCESS

Our second Celebrating Success event will be taking place on 22 October 2015 so don't miss your chance to come along to this year's event.

It will be held at the Shropshire Education and Conference Centre (SECC) on the Royal Shrewsbury Hospital site and will run from 9am (arrival from 8.30am) until 3.15pm, and will include lunch and other refreshments during the day.

There is a packed programme of guest speakers, presentations and interactive workshops being put together at the moment that offers something for staff from all backgrounds (clinical and non-clinical).

We had fantastic feedback from the event last year when staff were able to meet with other teams that they may not normally meet and hear about what great work they do as well as listen to our speakers. Additionally we had a brilliant poster presentation area in the atrium which was really well received.

More details about the agenda can be found on the back page of this newsletter, and you can book your place via ESR today.

Like last year, the Celebrating Success event will take place before the annual Staff Awards. As there are limited places in the venue, this part of the day is invitation only to make sure people who have been nominated for an award can attend.

Agenda

Celebrating **SUCCESS**

- | | |
|-------------|--|
